

## Venue Tech Spec - The Pipeline 2026

We are a small venue with very limited space. We recommend all bands to bring only what they need and share gears within bands. Capacity is around 60 but that decreases rapidly if you bring gears that cannot be put on the stage.

We are an 18+ venue.

If you bring a PRS/PPL registered band, you should let us know and pay £15 for covering the cost. (We also expect you to not play covers.)

## **PA**

We charge £25 for the use of our PA system and back line. This should be paid on the night, preferable in cash.

We got 2 QSC KLA-12 active speakers, 8 mics (SM58 and SM57) with stands, Yamaha TF1 Digital sound desk, 2 Mackie SRM450 monitors. We got 2 DI-boxes.

We do not have an in-house sound tech. It is a very small room but if you need one, you can bring one or we can try to find one for you (at your expense, of course)

Load in from 6pm and sound check from 7pm. Curfew for live music is 11pm. Last order in the bar is midnight on weekdays and 1am on Fridays and Saturdays.

## **Backline**

1. Marshall JCM800 with 4by12 Cab (2021)
2. Marshall JCM800 with 4by12 Cab (2021)
3. Ampeg PF-500 Portaflex bass head with an Marshall bass Cab MBC410 - 4x 10" (2021)
4. Drum kit Mapex Birch with TAMA cymbal stands and a drum stool

***Bring breakables:***  
***-Cymbal stand felts***

***-Drum clutch***

***-Kick pedal***

***-Snare***

***-Cymbals***

***-Any additional cymbal stands you may require***

5. Keyboard stands – We got two stands

### **Lighting**

We got five lights for use on stage. 3 lights in front of stage and 2 behind stage. They are all controlled from sound desk. Brand is Chauvet.

### **Parking**

No parking on premises but you can stop outside for loading in and out. For parking we recommend Madeira Drive, BN2 1PS
